Times of the tide are taken from the U. S. Coast and Geodetic Survey tables. The tides at Honolulu and Hilo occur about one hour earlier than at Honolulu. Honolulu standard time is 10 hours 30 minutes slower than Greenwich time, being that of the meridian of 157 degrees 30 mins. The time whistle blows at 1:30 p. m., which is the same as Greenwich 0 hours 0 minutes. The sun and moon are for local time for the whole group.

## HOTEL SIERRA WAS NOT CROWDED

Only Nineteen Guests There Last Night.  
Expect None At All Tonight.  
Korea Coming With 111 on Monday.

The Hotel Sierra had only nineteen guests last night after all. It was expected that there would have been at least a hundred, judging from the reports of the lack of accommodation, but the steward's department was thankful that so few had to be put up, and expect that there will be none at all tonight.

Judging from remarks by some of the tourists there will be a lot of harm done to Honolulu by the lack of accommodation, and the general mixup through failure to find room for so many. People confidently expected that there would have been plenty of room for them here, else they would not have come.

Honolulu was badly contrasted with some of the small towns on the Coast. "There," said one man this morning, "when fraternal organizations hold a big gathering in any small city, they arrange beforehand for accommodation for twenty and thirty thousand people. The people of, say Stockton, San Diego or other small town, take a personal pride in seeing that the visitors are accommodated, and all those people who have a room to spare or any accommodation at all, put it at the disposal of the committee in charge of this work. The residents think that to say there is no room, when a big crowd comes to town, is to give the place a bad name, so that they do all in their power to help out."

This, it was said, should have been done in the present instance. Many of the people who will go back on the Sierra will talk of their failure to find accommodation here, and it will work against Honolulu.

WILHELMINA TOOK A BIG LOT.  
The Wilhelmina went out at midnight last night for Hilo. There was a large passenger list. People began to arrive from six o'clock until just before sailing time. Just as soon as they arrived they went to bed, tired out, after the lively day the had had in town. Many of those who got on board at six o'clock were fast asleep by the time the Wilhelmina pulled out.

KOREA BRINGS 111 ON MONDAY.  
The Korea will arrive here on Monday morning from San Francisco with 111 passengers from San Francisco. She will leave for the Orient at 9 o'clock the same afternoon. She has 160 tons of cargo for this port.

MANCHURIA STARTED WEDNESDAY.

A telegram to H. Hackfeld & Co., agents for the Pacific Mail, this morning stated that the Manchuria started for San Francisco via Honolulu, on Wednesday last. She has room for 130 cabin passengers from here to the Coast. She will land 1, 100 tons of cargo and 200 steerage passengers.

MARAMA IS PRETTY FULL.  
The Marama, en route to Australia from Vancouver, is due here next Wednesday. A telegram from the agents stated that she has room for forty second-class and six first-class. W. M. Buchanan of Theo. Davies & Co. already has about forty booked, the most of whom are for the second-class.

RESTORER EXPECTED TODAY.  
The cable repairing ship Restorer is expected here today from Vancouver. She will proceed to the scene of the broken cable from here, and have the broken parts picked up and repaired.

GUERNSEY EXPECTED SUNDAY.  
The Guernsey, a Norwegian steamer, on her way here from Newcastle, N. S. W., with a load of coal, should be in port Sunday some time.

As the Shinbu Maru is now in the Bishop slip, it is possible she might have to wait outside until the Shinbu Maru has discharged.

HELENE FROM HAWAII.  
The Helene arrived from Hawaii this morning with 9128 bags of sugar, thirty-five head of cattle and one horse.

KOREA HAS 111 PASSENGERS.  
The P. M. S. Korea, due here on Monday morning from San Francisco, has 111 passengers for Honolulu, according to a wireless received this morning by the Promotion Committee from Purser Allen.

grounds for such a claim. Compensation for the damage sustained by the company's warehouses and cargo junks is, however, another question.
